

Who We Are

ABI's journey began with a small team in **Ottawa, Ontario** on Thurston Drive in **1989**; four locations and 37 years later, Advanced Business Interiors is now one of the largest office furniture dealer in the national capital region.

Partnered with **over 60 manufacturers** (nearly half of which are Canadian companies), ABI offers a full range of **furniture and architectural solutions** tailored to diverse client needs. From the essentials in **private office environments** to **higher education campuses, healthcare facilities, and ancillary spaces**, no project is too big or too small; as a trusted **Supply Arrangement holder** for Workspace and Seating solutions, ABI is also an established choice for federal government offices.

Every project benefits from ABI's **70 team members**. Having the **Sales, Workspace Planning & Design, Architectural Interiors, Project Coordination, and Operations** departments working under one roof guarantees greater control of communication, quality, timing, and customer satisfaction.

What Makes Us Different?

OUR EXPERTS

Our dedicated project team understands the relationship between people and space. Our in-house **Workspace Planning & Design Specialists** and **Architectural Interiors Specialists** will bring your vision to reality.

SOLUTION-BASED DESIGN

Leveraging our vast product knowledge and industry insights, we deliver innovative solutions that seamlessly **integrate design aesthetics with functional requirements**.

OUTREACH

In addition to our downtown showroom, we currently operate **three locations** within the Ottawa/Gatineau and Montréal regions, enhancing accessibility and ensuring personalized service.

Your Full-Service Partner

As part of our scope of work, ABI provides a **complete suite of project services**, including:

- Site visits and field verification
- Drawings and detailed specs
- Pricing and budget alignment
- Project planning and coordination
- Warehousing and storage services
- Product demos and user training

Beyond installation, **ABI's after-sales services** are designed to ensure long-term satisfaction and adaptability. These services include:

- A customized move-in package
- Operational and cleaning manuals
- Workspace reconfigurations
- Ongoing maintenance

We are committed to delivering not only high-quality furnishings, but a lasting partnership focused on reliability, responsiveness, and continuous performance.

Our Mission, Vision, & Values

MISSION

To create inspiring workspaces that help people succeed in their everyday.

VISION

Reimagining workspaces to enhance human connection.

VALUES

We honour **teamwork**.
We take **accountability**.
We foster **creativity**.
We demonstrate **respect**.
We prioritize **well-being**.

Canadian Manufacturers

These partnerships not only strengthen the Canadian economy, but also ensure that we continue to provide high-quality, locally-sourced products to our clients. We encourage you to explore the brands below, further promoting sustainability and resilience within the industry in Canada.
